Great Crosby Catholic Primary School

Creates a school where everyone has a sense of belonging, feels safe and where the Gospel values are lived out and shared.

Provides a safe environment where the Good News of our Lord Jesus Christ is celebrated within all aspects of school life, encouraging the whole school community on their faith journey.

Provides a creative, child-centred curriculum in which the whole child feels safe, valued and nurtured, enabling them to fulfil their potential.

Maintains and develop strong and honest relationships with all members of our school, parish and wider community.

“.....that they may have life and have it to the full.” John 10:10
