Parents As Partners

This information will give you an idea of the work covered over this term. It will suggest activities that you can carry out at home, things to do and where you can go to find more information. We are unable to list exact PE days so please ensure their kit remains in school. As always we are extremely grateful for the support you give.

Come and See

Our topics are; Energy, Choices, Special Places and Islam.

Literacy

This term we will be studying Stories from other cultures, Persuasive Writing and Adventure Stories.

Numeracy

Number and the number system
Perimeter
3D Shape
Multiplication and division facts
Measuring in centimetres, grams, kilograms, litres and millilitres.
Tables/ Pictograms/ Venn Diagrams
Fractions

Science

Our topics this term will be Light and shadow. Then after the half-term, we will be studying Plants and soil.

Topic themes to be covered

1. PE – Athletics and tennis

2. History – Stone Age to Iron Age

We will be travelling back in time to 6000 BC to learn about what life was like and how it has changed and impacted on today's world.

Art and DT

Study the British artist Andy Goldsworthy and his use of natural materials to create art, culminating in producing a piece of natural art.

We will be designing and making shadow puppets linking this to our English, science and history topic.

Homework

Homework will be given out each Friday focusing on topics covered in class and will be expected back in school the following Wednesday.

All children will have a reading book and are listened to once a week as part of a guided reading group. This book will be sent home for you to share with your child.

The learning of times tables for 2, 5, 10, 3, 4, 8 (in that order) will be ongoing.

Please continue to encourage your child to go on Manga High through the school website as this aids the children's mental maths strategies.

Housekeeping

Please make sure your child has a PE kit in school including trainers for outdoor PE.

All school belongings should be clearly labelled with your child's name on them. We encourage the children to take responsibility of their own possessions and to ensure they have all this necessary to take part in lessons.

Fruit can be brought to school to be eaten as a snack at playtime.

As the weather becomes warmer, your child requires a **hat and a water bottle** in school. Your child's water bottle should be clearly labelled and brought home at the end of each day so that the bottle is emptied and cleaned.

Dates for your diary:
